How ADEPTSM Is Your Organization?

An industry-wide transformation is underway. Resilient leaders, those adaptable to change, will ensure their organizations survive, thrive, and are **ADEPTSM** at the business of care delivery.

What's holding you back?

It's probably more than just ONE aspect of your business. **Application.** Deploying new technologies and processes into practice defines the new normal in health care. However, it's not just about optimizing your EHR for patient and clinical performance. How can you make that data best work for you? V2V's programs enhance your success with **Performance Advantage**SM and **Value Advantage**SM across the organization.

Distinction. What sets your brand apart? Do you know? The future will be driven by each encounter, and will be more patient-centered than ever before. Our assessment programs evaluate your footprint in the market to determine your value proposition in light of area competition. We will help you define those qualities unique to your organization and express them in ways that reinforce your brand, giving you an essential **Strategic Advantage**SM.

Effectiveness. Our work demonstrates that effectiveness is achieved by ensuring the highest in clinical quality and service to your key stakeholders: Your patients, your employees, and the community. And, it's imperative to be dedicated to continuous improvement in all aspects of your organization. V2V's programs

help you discover that reducing costs are the end result of deploying best practices, using insights gained with **Performance Advantage**SM and **Value Advantage**SM, across the organization.

Profitability. Our Value Management programs integrate financial and clinical operations, improving both service effectiveness and operating margins. Our clients consistently realize an immediate return on investment that makes a positive, long-term impact on the bottom line, through programs such as **Revenue Advantage**SM and **Value Advantage**SM.

Talent. A tremendous amount of effort is focused on talent acquisition through recruitment. What about onboarding, organizational development, or interim management? Effectiveness training and management during pivotal transitions transforms organizational performance with **Onboarding Advantage**SM, **Management Advantage**SM, and **Leadership Advantage**SM.

We focus on value, so you can focus on care.
